Dear [first name(s)],

When the unexpected happens to a child—from a minor scrape to a life-threatening diagnosis—our dedicated health care team remains focused on doing whatever it takes to make the situation better. General closing: Thank you for being a champion for Lurie Children's and believing that every child deserves to live a healthy life.

Board member closing: [first name (when email is addressed to couple)], I remain grateful for your service on the [**board name**]. Thank you for your dedication to the belief that every child deserves to live a healthy life.

Dear «Salutation»,

It is such an honor to thank you for your generous gift to Children's Wisconsin through United Way's Alexis de Tocqueville Society. Your partnership is helping us go beyond treating kids only when they are sick or injured. You are leading improvements in care and providing support for the whole child – including physical, social and mental health for kids in our state.

Your gift has a direct impact. It enables Children's to explore safer, less toxic immunotherapies for kids fighting cancer; supports kid-centered care and compassion during a hospital stay; and provides safe and convenient telehealth options for families seeking mental and behavioral health care for their child. Together we are providing a better tomorrow for Wisconsin's children and families.

Thank you.

If you have any questions about your gift, please contact us at (414) 266-6100. Thank you for joining Children's in giving kids the very best. I cannot wait to see what we continue to accomplish together!

Much gratitude,

Meg Brzyski Nelson

Dear <NAME>,

Thank you for participating our 32nd annual Celebrity Golf Invitational at Butte des Morts Country Club. What a fun and inspiring way to show your support for Children's Wisconsin and the kids we help every day! This year, we raised more than \$126,000 to benefit families in the Fox Valley and throughout Wisconsin—and we could not have done it without you.

Children's is stronger with the support of our community, and we are grateful that you helped us bring together over 150 golfers, 30 staff and volunteers, and a group of incredible athletes. We all believe that we can—and should—go beyond necessary care to give Wisconsin kids the best care.

Partners like you help bring Wisconsin families the most advanced and compassionate care close to home. Thank you again for your participation of this year's Celebrity Golf Invitational and all that you do for Children's.

Warm regards,

We created this thank you card to send to the community that was rallying behind us during COVID. After nearly a year of battling through COVID, we wanted to let our donors and friends know that they were making a difference.

Front-Side Artwork

The back side of the card contains several sections of text and graphics. On the left, a yellow diagonal bar contains the text "PAUSE, REFLECT, AND GIVE THANKS". Below this, a paragraph expresses gratitude to donors for their continued generosity. A bulleted list highlights the impact of their support, mentioning outstanding patient care and access to continuum services. Another paragraph thanks the community for its dedication. A section at the bottom encourages readers to "THANK YOU FOR EVERYTHING YOU DO." and provides information on how to get involved, including a website and newsletter sign-up. On the right, the "WVU Medicine UNITED HEALTH FOUNDATION" logo is shown, along with the address "327 Medical Park Drive | Bridgeport, WV 26330". A small box in the top right corner contains postage information: "Nonprofit Organization U.S. Postage PAID Bridgeport, WV Permit # 117". A testimonial from a patient named Susan is included, followed by her name and location. Social media icons for Facebook and YouTube are also present.

Recently, I spent three days at United Hospital Center. The nurses, doctors, and staff went above and beyond to ensure that I was comfortable and felt at ease after my surgery. My recovery was quicker than anticipated, and I am thankful for the care I received.
